

WAKEUP CALL!

Peace be unto you human,

We've been kept in a state of stimulation(MATRIX). It's been 316 years since humanity has been controlled by elites who run the world, freedom of choice is taken away from us, everything we know today is told to us by the government, media and some corporations that only benefit them, not humanity. Our way of living is derived from the corrupted structure provided to us by humans in power. Throughout history from Prophet Adam to Prophet Muhammad PBUH we see common repetition of satan worshipers trying to keep mankind away from God, shed blood and corruption.(2:30)

If we talk about the last time muslim ruled we recall mughals but we don't know the correct history, as a muslim it was our defeat and rise of Non-Belivers/satanism.

How can they defeat muslims?

[3:160] If God helps you [believers], no one can overcome you; if He forsakes you, who else can help you? Believers should put their trust in God.

They figured out muslims read/listen to a book named "Quran" that gives them power, strength and courage. They studied Quran and created strategies that caused muslims stop reading/listening. Today we are afraid and confused reading/listening to the Quran in our own translated language, aren't we?

These pagans has corrupted Allah's perfect structure for humanity that we live in today and we muslims have no idea, **don't be a blind in pagan culture**, do self research before following anything, we swear to **Allah** and our **father** Prophet Ibrahim AS, to live and die as Muslim.

[6:172] And recall (Human) when your Lord brought forth descendants from the loins of the sons of Adam, and made them witnesses against their own selves. asking them: 'Am I not your Lord?' They said: 'Yes, we do testify.' (So) that you should not say on the Day of the Resurrection: 'We were unaware of this.'

[3:102] O you who have believed, fear Allah as He should be feared and do not die except as Muslims.

[2:132] "And this was the legacy that Abraham left to his sons, and so did Jacob; "Oh my sons! indeed Allah has chosen for you this religion, so do not die except while you are Muslims."

Today they have corrupted our minds using **traumatized mind control** strategies that Quran got hard to approach and understand. Do we really need something else besides Allah's words to teach humanity what Allah has revealed to mankind? Ask yourself these questions, at what age did you believe that God is real? How did you come to know? At what age you first took Shahadah "**I BELIEVE**"? What does it feel like? What do you feel when you pray? Do you become muslim before or after reading the direct message of God? Have you ever read the whole message (Quran) of God for once in life?

Today we have memorized more Sunnah which is an arabic word, means **history** of the prophet, not quran. We adopted history over the divine words of God. The approach of understanding religion isn't the same as it was 400y ago. Quran is easy to read, listen to and understand and its original islam, no contradiction.

[54:17] And We have certainly made the Qur'an easy for remembrance, so is there any who will remember?

[54:17] اور بیشک ہم نے قرآن کو سمجھنے کے لیے آسان کر دیا ہے۔ پس کیا کوئی نصیحت حاصل کرنے والا ہے؟

In the time of Prophet Muhammad PBUH, he used to recite words of Allah from which many accepted islam, became muslims, took shahada, believed in GOD

[2:151] Just as We have sent among you a messenger from yourselves reciting to you Our verses and purifying you and teaching you the Book and wisdom and teaching you that which you did not know.

But some of them got confused, scared and it was hard for them to understand because of illiteracy, they ran to their scholars like today, **are we that illiterate like arabs of that time?**

[47:16] And among them, [O Muhammad], are those who listen to you, until when they depart from you, they say to those who were given knowledge, "What has he said just now?" Those are the ones of whom Allah has sealed over their hearts and who have followed their [own] desires.

We left the Quran, we only know Arabic but we have no idea what it means even though some don't know what they are chanting in prayer. Prophet PBUH on the day of judgment will testify in front of Allah that we have left the book of Allah.

[25:30] And the Messenger has said, "O Lord! Surely my people have taken to themselves this Qur'an as a thing to be forsaken.

[25:30] اور رسول کہے گا کہ اے میرے پروردگار! بے شک میری امت نے اس قرآن کو چھوڑ رکھا تھا.

[26:180] I ask of you no reward for this. My reward is with none but the Lord of the Universe.

and I can't guide anyone.

[28:56] Indeed, you do not guide whom you like/love, but Allah guides whom He wills. And He is most knowing of the [rightly] guided.

MAY ALLAH GUIDE US ALL! We all belong to Allah and we will all return to Him.
